

FastBridge Overview

February 17, 2022

What is a Universal Screener?

- © A quick assessment to determine whether the student is *at-risk* of not being able to engage in grade level work.

What is FastBridge?

- © “The FastBridge assessment system includes reading, math and social-emotional behavior (SEB) tests that help teachers learn which students need extra help. Some of these FastBridge tests are used with all students for Universal Screening. Other FastBridge tests are used with students who participate in extra help so the teacher can see the student’s progress.”

What does FastBridge measure?

- © FastBridge measures skills needed to access grade-level work.

Which Screeners? - Which Grades?

**Fast Track
Reading**

The diagram features a green umbrella with a black handle. The umbrella's canopy is divided into three sections, each containing a grade level and associated screening tools. The left section is a cyan circle for 'Kinder earlyReading'. The middle section is a yellow circle for '1st Grade' with 'earlyReading CBMreading*' and a note that it is embedded within earlyReading. The right section is a pink circle for '2nd & 3rd Grades' with 'aReading' and 'CBMreading'. To the right of the umbrella is a blue circle for '4th - 12th Grades' with 'aReading' and 'AUTOreading'. The entire diagram is set against a white background with decorative colorful circles and dashed lines.

Kinder

earlyReading

1st Grade

**earlyReading
CBMreading***
(*embedded within
earlyReading)

**2nd & 3rd
Grades**

**aReading
CBMreading**

**4th - 12th
Grades**

**aReading
AUTOreading**

Please note - aReading is adaptable.

FastTrack Reading

Reading Skills Measured:

- Concepts of Print
- Phonemic Awareness
- Phonics
- Fluency
- Vocabulary
- Comprehension

Which Screeners? – Which Grades?

**FastTrack
Math**

**Kinder & 1st
Grade**
